

2010 National Stock Horse Association Futurity Horse Show

Trade Show August 15-22 Paso Robles, California

The National Stock Horse Association is presenting their 2010 Futurity at the Mid State Fair Grounds in Paso Robles, CA, August 15-22. The trade show, however, will be open August 18-22. The trade show will run Wednesday through Sunday and will again be held in the bldg. across from the arena concession stand. There are a limited number of booths in that bldg. All others can bring E-Z Up tents & be around the outside of that bldg, in the covered arena area, as well as outdoors on the grass. This allows all vendors to be in the same area! Futurity and horse show classes will run the entire week and a Futurity finals will be held on Sunday! There will be a horse sale during the week as well. We invite you to be a vendor at this exciting NATIONAL STOCK HORSE ASSOCIATION show where again the World's Richest Stock Horse competition will be Saturday night!

Indoors Each indoor vendor space will be 10' x 10' with a fee of \$400. Corner spaces to be \$450. Electricity is included. We have had a lot of interest so please apply early for the space you prefer!

Outdoors: Outdoor spaces will be 10' x 15' with a fee of \$350 per space. These spaces will be in the covered arena area and outdoors on the grass as in 2009. This will apply, also, to any trailer selling products. Every 10 ft space after 20' will be an additional \$100 per space.

Horse trailers & trucks will be charged \$15 per foot for their first and largest trailer or truck. Additional trailers and trucks will be \$10 per foot. They will be placed in the outdoor exhibit area near the other vendors.
