### 2025 NSHA Media Policy

#### Overview

Media coverage of the NSHA, including its events, pro-grams, and activities, is central to the association's continuing efforts to promote and grow the sport. The purpose of this media policy is to set forth enforceable guidelines for appropriate content-gathering and distribution. This policy also safeguards the NSHA's relationship with its official photographer and official videographer while encouraging attention from the news media, both inside and outside the Western performance horse industry.

Freelance writers, photographers and videographers must provide proof of assignment from an approved publication or network before credentials will be issued. Acceptable proof of assignment includes validation in writing (via email or on letterhead) from the assigning publication or network. Freelancers receiving credentials on this basis must also agree that the content (images, interviews, etc.) they gather will only be used for that assignment, and not for future work.

Content creators for websites and/or social media outlets will only receive credentials if they cover the NSHA regularly, provide consistent news/feature updates, or represent a local tourism-based outlet in the area where the NSHA Event is taking place.

Placing a photographer's logo on images taken by the NSHA Official Photographer at a NSHA Event is strictly forbidden. Media and freelancers can request specific photos for approved use/publication by contacting NSHA directly.

Unauthorized capture, recording, reproduction or broadcast of the live webcast from NSHA Official Videographer is strictly prohibited.

## MEDIA POLICY

### Marketing/Commercial Policy

The NSHA supports its valuable partners and sponsors; and recognizes that their business related and revenue-generating endeavors are connected to this NSHA Event.

Photos and videos for marketing, advertising, and commercial purposes are available for purchase from the NSHA Official Photographer, and the NSHA Official Videographer. This purchased content may be used for print advertising, promotion, marketing and other revenue-generating purposes for a product, service, business, stallion, etc.

NOTE: Photos used for marketing and advertisement cannot misrepresent the image in such a way to alter the sponsor representation or event sponsorship. Adding logos that do not mimic the sponsor logo placement or removing backgrounds completely is a permissible change to the image for promotion.

Freelance photographers and videographers on specific marketing/promotion assignments from NSHA sponsors are permitted. Sponsor freelancers will be required to submit a Media Credential Request Form and adhere to NSHA Media Policy guidelines as well as pay the licensing usage fee of \$600 at each event photographs are taken. Do not lift the logo from the website and place on photographs, advertisements or social media posts without either 1) expressed written permission from the NSHA or 2) a valid, active Sponsor partner agreement with the NSHA.

Violation of the NSHA Media Policy may result in immediate removal from the event premises, refusal of future media credential requests, possible fines, and/or an indefinite ban from NSHA events.

NSHA members/exhibitors who violate the NSHA Media Policy may face disciplinary action including, but not limited to, suspension, fine and ban from competing at future NSHA events.

### Photography and Videography Policy FAQ

Q: I have a professional-grade camera and a lens that is longer than 4 inches. Can I photograph my own horses for use on my business website and Facebook page?

A: Yes - all we ask is that you submit a media credential request form, make the payment of \$600 and wear a media badge. A couple of friendly reminders: 1) please focus on your own horses, and 2) selling or giving away images you take at our event, or photographing more than your own horses, is prohibited.

Q: Is it OK to use my professional camera with lens longer than 4 inches to shoot every horse in the class and post a gallery of images on my personal or business Facebook page?

A: No - that is prohibited use under the NSHA Photography and Videography policy due to the potential for interfering with our Official Photographer and/or Official Videographer.

Q: I'm a professional photographer or videographer. One of the NSHA sponsors wants to pay me to take photos of their products in action at the premier events. Is this permitted?

A: Yes - we support our sponsors and their promotional endeavors! If you're on a specific assignment, please fill out the Media Credential Request Form, including the "Freelancers" section, and make the payment of \$600 in the Media Office. Always restrict your shooting to only the specific assignment for which you've been hired.

Q: I used my camera phone to take a video of my horse on the live webcast from my computer screen. I put it on my website/Facebook page. Why did I get a call from the NSHA telling me this is not OK?

A: Recording, capturing or re-broadcasting any part of the webcast is not permitted. If you want your horse's run, it is available for purchase from the NSHA Official Videographer. Their team is able to upload high-quality video of runs almost as soon as the horse has left the arena.
